

Maine
Citizen Trade Policy Commission
Public Hearing
Thursday May 11
6:00 PM
Andover College, Lewiston
475 Lisbon Street, Classroom 105

The commission needs to hear your experiences, thoughts and opinions.....on trade agreements like NAFTA, CAFTA, and The World Trade Organization (WTO). How are they impacting you? How are they impacting jobs, businesses and democracy in Maine? How could our trade agreements be improved?

Come to speak, or come just to listen.

Global trade rules affect all of us every day. Don't let them evolve without you.
